

Paxtang Parkway (Greenbelt) 2.5 Miler [formerly Cameron Parkway (Greenbelt) 4 Miler]

Due to a Saturday melt-off that refroze overnight, the Cameron Parkway portion of the Greenbelt was determined to be unsafe to run. After a few minutes of deliberation, it was decided to reconvene at the entrance of the Paxtang Parkway portion of Greenbelt on Derry Street.

Fifteen runners completed the alternate impromptu 2.5 mile out and back course. First-time race director Dave Resek extends a sincere thank you to all runners for their understanding and cooperation regarding the last-minute change.
