

East Pennsboro Middle School – 3 or 6 mile Run

March 23, 2014

RD: Frank Crupi

Twenty-Two runners showed on a cold and cloudy early Spring Sunday morning to climb the East Pennsboro hills. The parking lot at East Pennsboro Middle School was already filled with cars even before the runners arrived as a result of a basketball tournament. The course was marked with cones, arrows, and chalk and the options were three and six mile out-and-back courses. Eight opted for the shorter course while the other fourteen chose the longer one with the big hill. Gary Varano and Marge Lebo took first place in the 3-mile for the men and women respectively. A resurgent Paul Taylor and an indefatigable Carol Varano finished first in their gender groups in the 6-mile jaunt.
