

HARRC SUNDAY 8:30 AM CLUB RUN

June 1, 2014

St. Thomas Roasters 3.25 Mile Run
Race Director: Deb Schneider

We had another gorgeous morning for the St. Thomas Roasters run. 27 people showed up for the run with 25 people doing the 3.25 mile run, 1 person running 2 miles, and 1 walker.

One of our runners was the owner and proprietor of St. Thomas Roster, "Java" Geof Smith. I feel very fortunate that Geof allows us to start and finish at the coffee shop. Hopefully he will be able to join us for future runs.

Paul Taylor was the first male finisher in 22:07. First female finisher was Michelle DeStefano setting a new female course record in 22:53.

We welcomed Monica Moyer as a first time attendee to a club run.

Everyone enjoyed refreshments and water after the run. Several runners headed into the coffee shop for additional refreshments.
