Start and Finish: Front and Forster Streets, River Front, Harrisburg, PA

Race Director: Becky Cover

Light rain subsided for the start of the race for the 5 mile AGCS, August 2014 event. But not so 40 minutes later, as the finish line festivities and social time was cut short with heavy rain.

Gary Varano charged through the field over the last 3 miles to post an impressive time of 35:37. Kelly Leighton was first female finisher at just over 37 minutes.

Overall, 25 runners participated with age groups ranging from Over 80 (Lee McMIndes in the 2 mile event) to Under 5 (Ellie in the 5 miler via stroller).
