Carlisle Army Heritage 5 (AGCS) Mile Run

Eight runners and two walkers showed up for the Army Heritage Trail run on a cold (44 degrees) morning with a wind chill factor somewhere in the mid thirties. The sun did peak out intermitting but not providing a whole lot of warmth on this blustery day.

Steady Paul Taylor cruised in first, running the second lap of the two lap course, almost a minute faster than his first lap. An ever improving Gary Varano was second a little over a minute later.
