

HARRC Sunday Club Run

Mountainview 5 miles AGCS

June 21, 2015

Director- Chris Gipe

A very disappointing number of only 5 runners showed up for today's AGCS run, when many more were expected. One positive, however, is that most people got first in their age group!!! The course was very hilly, and it took its toll on Paul Taylor, who got injured and had to be driven back to the finish line- thanks to Bill Auxer who provided the transportation. Joe Camacci brought along a 4- legged entry, "Guinness", who also happened to be first in his age group!

NAME	AGE	TIME
1) Joe Camacci	28	44:00
2) Mark Ondo	38	44:34
3) Frank Crupi	63	48:47
4) Bill Auxer	61	1:00:38
5) Paul Taylor	49	DNF
*) Guinness	"WOOF"	44:00
