

Peppermint Patty's Spice Run 5K or 10K

McCormick Park, Mechanicsburg, Pa.

Sunday, September 20, 2015

Race Director: Patty Parker

We had 10 runners for the last days of summer and the first Age Group Championship Series for 2015-2016. It was a beautiful 60 degree morning along the infamous Yellow Breeches but a beautiful day to run with a little wind kicking at 10mph. Special thanks to my wonderful husband for helping me set up the course and making sure everyone had enough post race goodies, water, Gatorade, pumpkin bread, banana nut bread and of course Peppermint Patties. Also, my husband had balloons hanging from the car, which today happened to be my 66th birthday.
