

Riverfront 5 Mile Run 22 February 2015

Run director: Frank Crupi

Five runners showed up for the Sunday run along a snow-covered Riverfront Park. The running was tough through the new fallen snow and some of us exited out to Front Street when our legs tired of the slog. In the end Kelly Leighton, HARRC's social media director, emerged as the far and away top finisher for the five mile course. Bill Auxer opted for a three-mile circuit. Cross-country skis would not have been out of place here.
